SUBJECT. :-- Scale of expenditure in the Sri Arkeswaraswami and Sri Chandramouleswaraswami temples at Yedatore.

In Government Proceedings No. 3299-3301/M.F.585-13-2 dated 17th April 1919, the proposals of the Muzrai Superintendent for fixing a revised scale of expenditure in the above temples were sanctioned.

Kind.	Sl.No.	Area.	Assessment.
Wet.	102	1 34 0	
Dry.	102	0 30 0	12- 0- 0
Wet.	103	2 23	16- 0- 0

2. The income of the *marginally noted lands endowed by Lokaseva Niratha Mr. A. -- Anniah Pandit which was then estimated to yield Rs. 84/- a year was included in the receipts of the temple and a provision of Rs. 5/- a month was made in the scale towards the cost of Nitya Neivedya. Provision was also made for the payment of kandayam, which amounts to Rs. 30/- per annum.

3. In March 1921 Mr. Anniah Pandit represented that the arrangements ordered above were not in conformity with his wishes and requested that the paddy obtained from the lands might be left in the possession of the Dharmadarsis and 1½ seers of rice given daily for neivedya and the balance, if any, utilized for santarpane during

during Rathotsava.

4. The representation of Mr. Anniah Pandit having been sent to the Deputy Commissioner, of the Mysore District for a detailed report, he states that the lands have been leased to one Mallaiya for a period of 5 years from 1920-21 for 11 candies of paddy a year, that the granary within the temple premises is not in a fit condition for storing paddy and that the paddy which may remain after meeting the Kandayam may be entrusted to one of the well-to-do and respectable Dharmadarsi for conducting the seva -- stipulated by the donor.

5. The produce for the year 1920-21 was sold by auction and a sum of Rs. 154/- at Rs. 14/- a candi was realized and this has been credited to the temple funds.

6. In these circumstances I am of opinion that the scale may be modified as in the appended statements, effect however being given when the current year's paddy is realized.

7. Letter No. D2Dis.86/20-21 dated 28th May 1921 together with its enclosures received from the Deputy Commissioner is submitted.
